

The Fatima Program

This program began in 1993 at Blessed Sacrament School. We hope that you will keep it going for many more years to come.

As you will learn, the Fatima Program teaches families to pray together the beautiful and powerful prayer of the Rosary. Included in this package is a beautiful statue of Our Lady of Fatima, a DVD of The Story of Fatima, both of which should be returned, and Rosaries with a CD of how to pray the Rosary which you may keep. The CD can be played in the car on the way to school, on the way to soccer practice and even in your home to pray for those people who need your prayers, the sick in your family, those in the hospital, the soldiers and their families, your special intentions, etc.

You can learn about the Fatima story through the DVD. Even though it is a cartoon video, it is a very powerful video to listen to and for all ages to watch and to learn about what the Blessed Mother is asking of us even now in our time.

Also, this program is for everyone in your family. But it comes through the children at school. The packages are brought to their classroom and they bring it home. It starts on Tuesday and is kept for a week, bringing it back on the next Tuesday. I will put the dates on the package for your convenience. **You may have this package numerous times throughout the school year.** You can assign anyone's name in your family, grandparents, older brothers and sisters, etc.. It comes to you through school. I will assign a date for you and send those dates back to you through school for you to OK. The program will start in October. If you would like a specific date, or even the Christmas break, just write it on the form on the back of this page.

I hope you will welcome the Blessed Mother into your home and pray the simple but powerful prayer of the Rosary.

God bless you,
